

IN THE DRAWINGS:

The attached sheets of drawings include changes to FIGS. 1, 3, 7, 12, and 13. These sheets, which include FIGS. 1, 3, 7, 12 and 13-14, replace the original sheets including FIGS. 1, 3, 7, 12 and 13.

Specifically, FIG. 1 has been revised to relocate the lead line extending from reference numeral --86-- to accurately indicate the teeth; FIG. 3 has been revised to change the occurrence of reference numeral "260" appearing in the central portion of the figure to --261-- to eliminate redundancy with a previously used reference numeral, and to insert reference numeral --184-- and an appropriate lead line to indicate a distance; FIG. 7 has been revised to insert reference numeral --562-- and an appropriate lead line; FIG. 12 has been revised to insert reference numeral --568-- and an appropriate lead line; and FIG. 13 has been revised to insert reference numeral --592-- and an appropriate lead line. No new matter has been added.
